Introduction

Knowledge of an individual's attitudes helps to tell us WHY they do things. The TTI Success Insights® Team Motivators Report measures the relative prominence, within a team, of six basic interests or attitudes:

- Theoretical

- Utilitarian

- Aesthetic

- Social
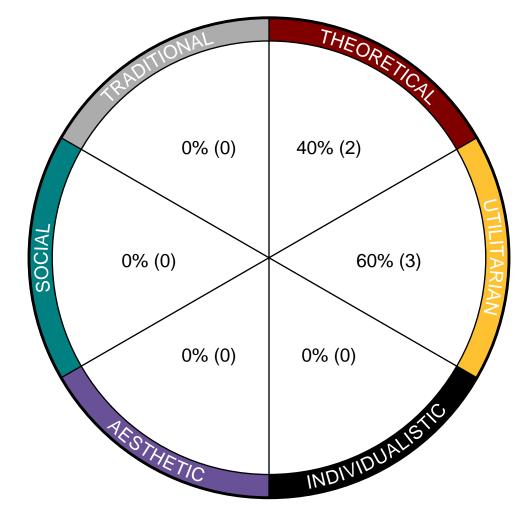

- Individualistic

- Traditional

Attitudes help to initiate one's behavior and are sometimes called the hidden motivators because they are not always readily observed. It is the purpose of this report to help illuminate and amplify some of those motivating factors and to build on the strengths that each person brings to a team.
